

The EXELL harness is a combination of ZGB & ELITE harness put together to form the ultimate team set, as specified by leading 4-in-hand driver/trainer, Boyd Exell.

Breastplate & Traces - ZGB Style

## WHEELERS - AS PER ZGB TEAM WHEELERS (page 7)

*Except for:*

1. Reins - Team Wheeler (Fixed) Z-grip. There are no stops sewn into the hand section to allow smoother, easier rein handling when used with Z-grip leader reins.
2. Blinkers are cut away to allow the horses better ground visibility - "Ground View Plus".
3. Saddles supplied with either centre pedestal terrets or figure 8 terrets.
4. Crupper standard or tail tie.

Breastplate - Elite Style

## LEADERS - AS PER ELITE TEAM LEADERS (page 13)

*Except for:*

5. Reins - Team leader (Fixed) Z-grip. Couplings are sewn to avoid snagging on the Roger rings. Extra adjustment at billet end for rein balancing
6. Blinkers are slightly cut away to allow better ground visibility - "Ground View".
7. Crupper standard or tail tie.

Suitable for:

Marathon driving with a team of four horses.

### Extra Options & Choices

Contact your local Zilco distributor to discuss your personal requirements.

- COLOUR TRIM . Red, dark blue, royal blue, purple, yellow, white, brown, dark green or light green (page 45).
  - Available as detachable piping which is easily fitted around edges of breastplate.
  - Coloured browbands to match if required.

### Maintenance

Wipe clean, or hose down. Or tub wash in warm soapy water. Hang to dry. Zilco harness always maintains its strength regardless of how wet or dirty it becomes from heavy use.

### Carry & Storage Bag

Each horse set is packed in individual black deluxe leatherette carry bag with 3 external pockets for spares and accessories.
